COMPANY OVERVIEW

For more than 30 years **KRYDON GROUP** has been at the center of the design, integration and deployment of mission critical systems and services. Krydon Group is pleased to offer its customers and industry partners a range of products and services to serve its clients' needs both domestically (CONUS) as well as overseas (OCONUS). Whether supplying products and systems to support mission objectives or rendering invaluable design support, project management, logistics planning or expert installation services, Krydon Group stands ready to support the ever-growing need of our customers.
